

PAPER BAG PUPPET INSTRUCTIONS

Step 1 – Cut out all pieces

Step 2 – Color all pieces

Step 3 – With a glue stick attach the following pieces (not all paper bag patterns have all of the listed parts, only applicable for the parts on the pattern):

- Face – Goes to the bottom folded part of the paper bag
- Lower Jaw / Tongue – Goes to the Paper Bag front directly underneath the folded part
- Arms – Goes to the Paper Bag front, mid-way up on each side
- Tail – Goes on the back and can be glued front facing sticking out from the side or glued completely on the back

Step 4 – Decorate the bag

Step 5 – Have fun with your quick and easy DIY Paper Bag Puppet!!!
